Directions For Transfer Of Ownership

1. The seller of any registered Spotted Saddle Horse shall, within thirty (30) days after the transfer...report such transfer to the Office of the Association in Shelbyville, Tennessee, and pay the required fee. The Association will then deliver the papers to the new owner.

2. Write in the name and full mailing address of the buyer.

3. Fill in the name and registration number of the animal to be transferred.

4. Write in the date of purchase - the date on which the animal was actually bought.

5. The seller must personally sign his name in the space for that purpose, and give his complete address. Printed signatures are not acceptable. If horse is jointly owned, all sellers must sign individually.

6. If the animal to be transferred is a mare and has been served before being turned over to the new owner, the name and registration number of the Stallion and the date of the service took place must be given; and the owners of both stallion and mare on this service date must personally sign their name on the designated lines and indicate whether or not the service fee has been paid. Foal cannot be registered until service fee has been paid.

7. If the animal to be transferred is a mare and has not been served, the words "NOT SERVED" must be written in the space for service.

8. Transfer papers having erasures - names, dates or signatures scratched out and rewritten - are not acceptable. If a mistake is made use a fresh blank.

9. All writing must be in ink. DO NOT use a lead pencil.
